Exam Boards

AAT

The AAT (Association of Accounting Technicians) Accounting Qualification is recognised by all of the UK chartered and certified accountancy bodies - ACCA, ICAEW, CIMA, ICAS and CIPFA - and is designed to give students all the practical skills they need to build a career in finance.

<https://www.aat.org.uk>

ACA

The ACA (Association of Chartered Accountants) is a qualification prescribed by the Institute of Chartered Accountants in England and Wales (ICAEW). It is not to be confused with the similar-sounding ACCA qualification.

<http://www.icaew.com>

ACCA

The ACCA (Association of Chartered Certified Accountants) is a global professional body issuing highly respected and valued international qualifications in business. It is recognised by member states of the European Union and the United Nations.

CIMA

The CIMA (Chartered Institute of Management Accountants) is a UK professional accountancy body that focuses on the training and qualifying of accountants in business. It represents financial managers and accountants who work in industry, commerce, not-for-profit and public sector organisations. Its key activities are related to strategies for use within business.

CICM

The CICM (Chartered Institute of Credit Management) is a specialised vocational qualification for credit controllers and supervisors. In addition to credit management techniques, the qualification aims to provide a general business education that covers management skills and relevant aspects of accountancy, law and the business environment. This unit aims to develop a basic understanding of fundamental accounting principles and techniques for those working in an analytical or managerial role.
